A wonderful feeling of joy and gladness is abroad in the University these days. The new Library and the new Student Center delight everyone. Another cause for rejoicing is the preparation of the site of the Classroom building.

The completion of these buildings clearly signalizes the tremendous success of the Family Crusade which supports our building program. So many friends, so many generous helpers, give all of us here at the University a profound sense of gratitude and strengthen us in our determination to build a University worthy of all of you.

It is with great pleasure that I cordially invite you and all the priests of the Diocese to come to the University to rejoice with us in a pre-dedication celebration on Thursday, September 8.

I do hope that you will be able to be with us. I wish to thank you personally for your encouragement and help.

With all best wishes, I am

Devotedly in Christ,

John J. Long, S.J.
President

We would like to have you preview the University's new Student Center and Library buildings before they are visited by the public and before their formal dedication. In this way, in addition to attending an informal gathering of the University's friends of the Press, Radio and TV, you will be able to familiarize yourself with these new buildings and have time to arrange for coverage of the dedication.

With this in mind, you are cordially invited to be with us on Saturday, September 10, at 5 p.m. We will tour the buildings, and then enjoy dinner in the new Dining Hall in the Center. On this occasion I want to express my personal appreciation to you and all the other members of the news media for your most generous work in aiding us to build up the University. I am enclosing a reply card for your convenience.

With every good wish, I am

Sincerely,

John J. Long, S.J.

We are anxious to have you and the other chairmen and captains of our Parish Area Campaign visit the University's new Student Center and Library buildings before they are dedicated. These new structures are part of the University's expansion program to provide the very best for our young people. You will be pleased to know that we are preparing the site for the Classroom building to which you contributed so much in time and effort.

It is with great pleasure, therefore, that I invite you to be the University's guest on Sunday, September 11, at 5 o'clock, for this pre-dedication inspection. We will later enjoy dinner together in the Dining Room of the Center.

I am looking forward to extending my personal thanks for the wonderful leadership you provided in your parish, which played an important part in making the parish campaign such a tremendous success.

I am enclosing a reply card for your convenience.

We would like to express our appreciation for your help in building up the University of Scranton. Our new Library and our new Student Center will be open to our students in September. Close by, we are preparing the site for the new Classroom Building.

The completion of the two new buildings and the start of this third and most important structure - in which you played such a vital role - clearly signalizes the tremendous success of the recent campaign which supports our building program.

We hope that you, as one of the many supporters who worked so hard to make our drive a success, will come to the University to rejoice with us in a pre-dedication celebration on Monday, September 12th. We are anxious to have you see these new buildings and enjoy dinner with us and all the other people who are making the expansion of the University possible.

I do hope that you will be able to attend as I am looking forward to this opportunity to extend my personal thanks to you for your kindness to me and to the University.

With every best wish, I am

Sincerely yours,

The University will be host to the President's Board, the Development Council, alumni workers, campaign workers, and our benefactors at an inspection of the new Library and Student Center on September 12, 1960. A tour of the buildings will begin at 5 o'clock and dinner will follow in the Student Center Dining Room.

I will be greatly pleased if you will serve with me on the reception committee for this affair so that we can welcome these friends of the University and make them feel at home during their visit. I am particularly anxious to have you mingle with these people so that they can become acquainted with you and the other members of our faculty. This, as you are aware, is most important.

I am looking forward to your help and support in making this a successful evening.

Sincerely,

Of the many people who worked so hard to make our recent campaign for a classroom building such a tremendous success, I am particularly grateful to you and the other women who engaged in the difficult task of calling on our central city merchants. I think that this committee of yours did a wonderful job.

To express the gratitude of the University and myself I would like to have you and the other members of the committee as the University's guests at an inspection of our new Student Center and Library buildings between the hours of two and four o'clock on Tuesday afternoon, September 13. Tea will follow in the Student Center.

I do hope that you will be able to attend because I think you will be greatly interested in the facilities which these two buildings offer to the young people of this region. You can certainly take reasonable pride in sharing in these buildings, as well as the classroom building when it is completed, because of the contribution you made of time and effort as a member of the committee.

Sincerely,

John J. Long, S.J.

I am very happy to report that our new Library and Student Center buildings will be finished and in operation early in September. I am anxious that you be among the first to see them.

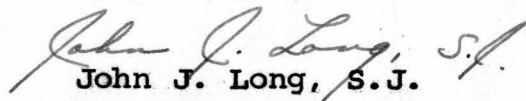

It is with great pleasure, therefore, that I invite you and the Sisters of your Community to inspect these buildings on Saturday, September 17, between the hours of 1 and 4 in the afternoon. We hope, too, that you will pause with us to enjoy the offerings of our new Dining Hall.

I am looking forward to greeting you at this time. I think that you will share in our joy now that we can offer such splendid facilities to our young people with whom you have already labored in grade and high schools. In a sense, I feel that we are keeping faith with you in doing our part to finish the work which you have begun in the earlier years of our students.

I beg you to remember the work of the University in your prayers.

To the Community:

Tomorrow evening, Thursday, September 8th, we are having a dinner for the Diocesan clergy. They have been very cooperative with us during the recent campaign and through their cooperation \$356,797 was raised in the parish area campaign.

Since then, they have shown renewed interest in the University; we should cultivate them as our friends. At past dinners they have shown great appreciation of the fact that the Jesuit Community was on hand to welcome them and show them around the University.

I would appreciate it very much if the members of the Community (both Prep School and University) who are free tomorrow evening would act as a reception committee in welcoming our guests and in joining them at the dinner.

Those not able to attend this dinner are requested to notify Father Minister before noon on Thursday, September 8th.

We will meet our guests at the Library at 5 o'clock. They will be taken on a tour of the Library and from the Library will proceed to the Student Center where they will be given a brief tour of the building. This tour will be followed by a reception on the Mezzanine - 2nd floor of the Student Center. Dinner will follow at 6:30 in the Student Center Dining Room.

To the Community:

Tomorrow evening, Saturday, September 10th, we are having a tour of inspection, followed by a reception and buffet dinner in the Student Dining Room, for the Press, Radio and TV representatives of this area.

I would appreciate it very much if those members of the Community who are free would join us during this affair. We will begin with a brief tour of the Library at 5 P. M.; from there we will proceed to the Student Center.

- - - - -

On Sunday, September 11th, we will entertain the Parish Chairmen and Captains in a similar tour and this will be followed by a buffet dinner in the Student Center Dining Room.

These men were very cooperative during the drive in contacting people of the Diocese and I am sure that it would help very much in making them feel at home if the Fathers in particular who worked with these people during the drive would be on hand to welcome them and to join them at the dinner. We will begin at 5 P. M. on Sunday.
